

YASH TIWARI

B.Tech — Artificial Intelligence & Data Science | Aspiring Software Developer

Alwar, Rajasthan, India

8949591614

tyash0702@gmail.com

JECRC University, Alwar/NCR

1st Semester

CAREER OBJECTIVE

Motivated and enthusiastic B.Tech student specializing in Artificial Intelligence & Data Science, currently building foundational knowledge in programming, computer science, and AI/data science concepts. Passionate about learning new technologies, developing practical projects, strengthening technical problem-solving abilities, and exploring software development, artificial intelligence, and data science.

EDUCATION

B.Tech — Artificial Intelligence & Data Science	JECRC University, Alwar/NCR	1st Semester
Class 12th	Rajesh Public School	88%
Class 10th	Rajesh Public School	91%

TECHNICAL & LEARNING AREAS

- **Programming:** Programming Fundamentals, Coding Concepts, Logical Thinking, Problem Solving
- **Artificial Intelligence & Data Science:** AI Fundamentals, Data Science Fundamentals, Data Concepts, Introduction to Machine Learning
- **Web Development:** Web Development Fundamentals, Website Development, Frontend Development — Exploring
- **Computer Science:** Computer Science Fundamentals, Algorithms and Data Structures — Learning

CURRENT LEARNING JOURNEY

- **Programming:** Building a foundation in programming and coding logic.
- **Artificial Intelligence:** Exploring the fundamentals of intelligent systems and AI applications.
- **Data Science:** Learning how data can be organized, analyzed, and used to solve problems.
- **Web Development:** Exploring how modern websites and web applications are designed and built.

PROJECTS

Projects — Coming Soon: Currently developing foundational programming and computer science skills, with plans to build practical projects throughout the B.Tech program.

Planned areas: Python beginner projects • Web development • Data analysis • Machine learning • AI applications

CORE STRENGTHS

Quick Learning • Logical Thinking • Problem Solving • Curiosity • Consistency • Adaptability • Willingness to Learn • Interest in AI & Data Science

CAREER INTERESTS

Artificial Intelligence • Data Science • Machine Learning • Software Development • Web Development • Programming • Technology & Innovation
